SPEERS CITIZENS PROTEST AGAINST GASOLINE TANKS

Say They are Dangerous to
Citizens and Proper-
ty in Borough

COUNCIL IS TO BE PETITIONED

The citizens of Speers borough held a well attended meeting at the borough building Monday evening last, to make a protest to council against the numerous gasoline tanks located in their community. At this meeting it was asserted by a number of speakers that the tanks are a menace to the community, and it was determined to circulate a petition, to be presented to council, asking that some action be taken whereby the safety of the people and their property be further safeguarded.

It was asserted in the meeting that owing to leakage at a number of tanks two good water wells had already been destroyed, one belonging to Mrs. George Walters and the other to William Steel. It was further asserted that the ground in the vicinity of the plants is soaked with gasoline, owing to the continued seepage from the tanks, and according to residents this only adds to the danger of the people.

At the present time three companies have tanks located in Speers, the Atlantic Refining company with four tanks, two with a capacity of 12,000 gallons each, one with a capacity of 20,000 gallons, and one just completed which has a capacity of 75,000 gallons.

The Valley Fuel Company with four tanks, each with a capacity of about 5,000 gallons each, and

The L. J. Robertson company, with two tanks each with a capacity of about 5,000 gallons each.

The people back of the movement say they do not ask for the removal of the tanks from the borough, but say they want them removed from the thickly populated center portion of the town, and that all tanks be kept in such repair as not to leak.

The petition, when ready, will be presented to the borough council for action.

The manager of the Refining company came up from McKeesport to be present at the meeting, and denied there was any damage, but his assertions did not convince the people present at the meeting, who say they would feel safer if the plants were moved to some other portion of the borough.

The Ladies Aid Society of the M. E. church will hold a home bake sale Saturday March 26 at White Sewing Machine Store, Fallowfield avenue.

BONUS BILL PAST ITS FIRST STAGES

The Senate at Harrisburg on Wednesday passed the Whitaker measure, calling for a constitutional amendment providing for the sale of \$30,000,000 worth of bonds for bonus purposes. Action of the Senate ended the work of the present Legislature and no action by the Governor is necessary. The House passed the measure last week.

To complete the steps necessary for such a bond issue the proposed amendment must be approved by the next session of the Legislature. Then it will be placed before the people at the November election in 1923. The amount would give each soldier, sailor and marine of the state a bonus of \$15 for each month he was in service, either in camp or overseas.

FORMER MONONGAHELA MAN DIES IN PITTSBURGH

D'Alton Brawdy, Sr., a former resident of Monongahela, died at his home in Pittsburgh on Wednesday, aged 62 years. His father, the late Aaron Brawdy, at one time owned the property now incorporated in the Monongahela Valley Country Club. The building used as a clubhouse by the organization was erected by the elder Brawdy over fifty years ago and he occupied it as a home for many years. One of the features of this house was the marble mantles, the first of the kind to be placed in a residence at that date in this section of the county.

ENTERTAINS FRIENDS WITH BIRTHDAY PARTY

Master Charles Robertus celebrated his fourteenth birthday anniversary in the form of a theatre party and dinner for a few of his friends on Wednesday evening at his home on McKean avenue. Following the theatre party the guests gathered at his home, where games and music were the main diversions of the evening. Later dinner was served by Miss Mattie Kelly, assisted by Miss Hazel Lambert. The colors were yellow and white, and Easter eggs were given as favors.

Michael Glancey, former well known conductor on the Charleroi Division of the Pittsburgh Railway line, died at the St. Francis hospital, Pittsburgh, Wednesday night at 11 o'clock. The body was brought from Pittsburgh and taken to the home of the deceased's father-in-law, William Peach at Roscoe, from where the funeral will take place at a time to be announced later. Mr. Glancey had been a patient at the St. Francis hospital for the past eighteen months. He is survived by his wife and one child.

GIVE VERDICT IN FAVOR OF PLAINTIFF

In the suit of Fred L. Sutherland of Lock No. 4 on behalf of himself and his daughter Nellie Sutherland, against Rogis and Paul Moyer, a claim for damages for injuries sustained by his daughter from the bite of a dog alleged to have been owned by the defendants, the jury on Wednesday found in favor of the daughter for \$250 and in favor of the father for \$300. The jury also found that the defendants owned and were keeping the dog, alleged to have been a vicious one. The daughter of the plaintiff, Nellie Sutherland, was bitten by this dog and underwent treatment at the Pasteur Institute, Pittsburgh, it having been determined that the dog was suffering from rabies.

Notwithstanding the evidence of several persons that they had seen the dog about the Moyer place, in the Moyer house and with members of the Moyer family, the defendant denied ownership of the dog, denied it had been about their place, and alleged it was a tramp dog that bit the Sutherland child.

CLAIMS GOOD RECORD FOR POULTRY YARD

Alpha C. Scott of Charleroi, claims to hold a chicken record for his poultry yard that is hard to beat. He had a hen that hatched eight chicks in November, 1920, all of which thrived, and which today weigh three pounds each. He also has a broody turkey hen that hatched about October 15, 1920 and raised her brood. He also has a big lot of chicks hatched February 22, 1921, which are now about feathered and are reported as doing fine.

SPECIAL TOPIC AT THIS EVENING'S SERVICE

At the Methodist Episcopal church this evening the pastor will use as his text, Matt. 26:19—"And the disciples did as Jesus had appointed them; and they made ready the passover." The momentous events connected with the working out of the Divine plan of atonement beginning with Thursday evening of Passover Week should be remembered by Christians with profound reverence and deep gratitude. This service is designed to help such remembrance.

GOVERNMENT ISSUES GENERAL CLEAN-UP ORDER

A general order for a clean-up at all locks and dams on the three rivers in the Pittsburgh district and to take stock of government property, has been issued from the Pittsburgh office of the district Engineer.

MONONGAHELA MEN SENTENCED FOR HOLDUP

John McElroy, aged 19, of Monongahela, was sentenced to serve not less than one year and six months and not more than two years in the Western Penitentiary, and O. Dunlevy, aged 19, of Monongahela, was sentenced for two years, when they pleaded guilty on Wednesday in criminal court in Pittsburgh to a charge of attempted robbery. They are said to have tried to hold up Dr. L. M. Herrington of McKees Rocks.

ENDEAVORERS WILL MEET IN CLAYSVILLE

At a meeting of the executive committee of the Washington County Christian Endeavor Union, it was definitely decided to hold the annual county convention at Claysville on June 9 and 10, 1921. There had been some talk of changing the place of meeting from Claysville to Washington, but it was decided to adhere to the original program.

Claysville has a large Christian Endeavor Society and is already planning for the two-day meet of Endeavorers, which promises to be one of the most successful ever held in the county. Among the speakers will be the State Secretary as well as many leading workers in Endeavor work throughout the county.

BITTING OUT FORMER BIG PITTSBURG BOAT

The Water Transport Company of Pittsburgh expects to put its steamer Valiant, which is now being rebuilt at the Elizabeth Marine Ways, in commission within the next 30 days. Walter Windsor, president of the Marietta Manufacturing company, was in Pittsburgh on Tuesday taking measurements for the machinery. The company will place the steamer in the Pittsburgh-New Orleans trade to tow freight and merchandise. The boat will be equipped with compound engines, 16x32x8 feet stroke, which will turn a wheel 23 feet, 2 inches long with a bucket 40 inches wide. Other machinery of a modern character will make the steamer one of the best equipped on western waters.

MRS. G. H. MURPHY DIES IN MONONGAHELA

Mrs. Mary Elizabeth Hoffman, wife of Dr. George H. Murphy, died at her home in Monongahela, Wednesday evening at 10:30 o'clock. She was the daughter of Margaret and the late Andrew Hoffman of Monongahela, and was born June 27, 1882. She is survived by her husband, one daughter, one son and two brothers. Funeral services will be held Saturday afternoon at 2 o'clock, interment in Monongahela cemetery.

New Steward now in charge
of the Club House
which opens soon

GROUNDS ARE BEING PREPARED

Many members of the Monongahela Valley Country Club called at the handsome club house Sunday afternoon last, and all were pleased with the splendid condition in which they found house, grounds and the golf course at this season of the year. Those who visited the club Sunday had the pleasure of meeting Mr. Geo. Minchin, the new steward, who has been engaged for 1921 season, and to hear the many plans which have been made for the coming season.

Mr. Minchin comes to the local club from the Midland Country Club of Kewanee, Illinois, and who has had fourteen years practical experience in club work both in this country and Canada. He is expected to make things very pleasant at the club house on the Carrol hills. He stated that from now on light lunches may be had at the club house at any time and that the dining room would be permanently open for the season in a very short time.

Mr. Minchin brought with him from Kewanee, Alex. Smith, a professional gardener, who is already at work getting the lawns and grounds around the club house in shape for the coming season. Mr. Smith also plans to plant a large truck garden where vegetables for the use of the club will be raised on the premises, and will also engage in poultry raising on a large scale.

As soon as the lawns at the front and rear of the club house are graded and sown in grass the auto driveway and parking place will be constructed. The club house may be informally opened about the 15th of April.

JUNIOR PROVINCE DIES IN NASHVILLE

Charleroi friends received word on Wednesday of the death of Junior, a 4-year-old son of Mr. and Mrs. David Province, which occurred in Nashville, Tenn., on Tuesday. The body will be brought to Pittsburgh by the parents, arriving there this evening, where the funeral will be held from the home of Samuel Long, Murray avenue.

Mrs. Province will be remembered as Miss Myrtle Majors of Charleroi. The parents had gone to Nashville for the benefit of the health of their son, and had been living there about four months when his death took place. Their former home was in Donora.

The ladies of First Presbyterian church will hold a bazaar and bake sale at Orange's Store, Thursday and Friday, March 31st, April 1st.

NEW SCHOOL CODE BEFORE ASSEMBLY

The bill which carries salary increases for all teachers, supervisors and principals, was introduced in the House at Harrisburg recently.

The bill establishes \$75 a month as the minimum salary for school teachers in the state and provides a minimum salary to be paid in all the school districts of the state for a number of years.

The salary schedule provides for salary increases in most cases to extend for a period of eight years if teachers remain in the same school district. Where teachers change to another district agreements must be made between the teachers and the employing districts.

The state is obligated to pay in third-class districts, which would include Charlevoi, 35 per cent of the minimum for elementary school teachers, and fourth-class districts are to receive 50 per cent of the salary prescribed for the district teachers.

No permanent certificate is to be invalidated except for incompetence, cruelty, negligence, immorality or intemperance. The qualifications for county, district or assistant county or district superintendents require they shall have had six years of teaching experience, with not less than three in a supervisory or administrative capacity. Superintendents now in office are held to have the necessary qualifications.

The principals in elementary, continuation, industrial, trade, junior and high schools are to be classified by the Board of Education on the basis of the number of teachers or rooms in the school of such other conditions as determine the relative importance and value of the service rendered by the principals. The Board of Education is to fix the number of increments, or yearly increases, and the minimum salary of such principals, but none are to receive less than the minimum salaries.

The third-class district schedule is as follows: Elementary teachers and principals who devote less than one-half time to supervising, \$1,000 with \$100 yearly increase for eight years to \$1,800; high school teachers and high school principals who devote less than one-half time to supervision, \$1,200 with \$100 yearly increase to \$2,000; where junior high school teachers have qualifications of senior high school teachers they are to be placed on high school schedule; otherwise on elementary schedule; supervisors \$1,200 with \$100 yearly increase to \$2,000; elementary principals devoting more than half-time to supervision, \$1,400 with \$100 yearly increase to \$2,200; high school principals devoting more than half-time to supervision, \$2,000 with \$125 yearly increase to \$3,000; superintendents, \$3,500 minimum.

It would appear that the great "clean-up" of Chicago crooks we read about left an inviting field for further effort. For the director of the Chicago crime commission says that 10,000 men and women in that city are now engaged in crime as a profession.

Some of the muckrakers may be incredulous, but a Swiss army officer returns from investigations at Coblenz with the report that the American army of occupation on the Rhine is "the most up-to-date of all the armies of the world" in appearance, discipline and organization as well as in military fitness.

In response to German-American outcry against "negro" troops on the Rhine, the French war office has taken the trouble to state that the few French colonialists employed there are Algerians and Tunisians of Arab race.

Speaking of the industrial situation as an aftermath of the war, David R. Forgan, president of the National City Bank of Chicago, says that "only the operation of the Federal Reserve bank system has prevented a financial panic."

The Right Remedy for the Right Treatment
at the Right Price

The new remedy SIM-CO SALVE relieves these troubles by both application and inhalation, the only way to reach sore lungs both inside and out.

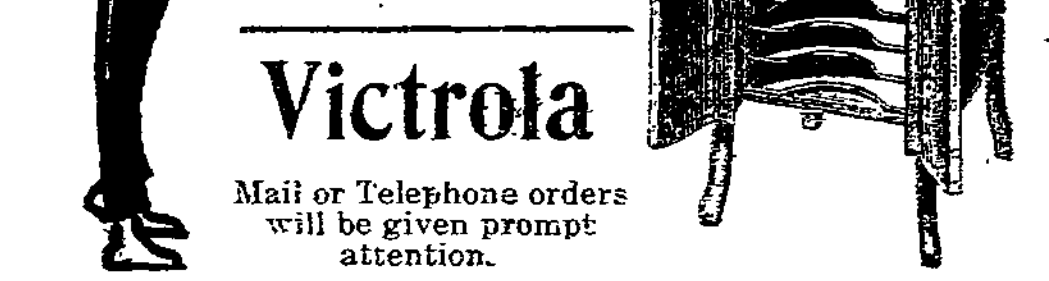

F. J. John is authorized by the manufacturers of SIM-CO SALVE to guarantee it to quickly relieve or money back; that's fair enough, isn't it?

There are other remedies, of course, but what remedy compares with SIM-CO SALVE, an active antiseptic, soothing and healing application, which at the same time it is applied to the throat and chest, gives off germ killing vapors that reach directly the inside of the lungs as well as penetrating through the skin from the outside.

The best way to realize the supreme efficiency of SIM-CO SALVE for these ailments is to compare it with any other remedy in the world, at any price, and if you are not delighted with the results of using SIM-CO SALVE according to directions F. J. John will give you your money back.

You can use SIM-CO SALVE with a real pleasure; even children enjoy the soothing chest applications with the refreshing vapor they give off, and relief comes so quickly that it seems like magic; it works while they sleep and makes the little ones less liable to attack of a more serious germ disease. Get a jar at F. J. John's today, the price is only 30c.

SIM-CO SALVE is ideal for itching piles, eczema, tetter, cuts, bruises, burns, sores or skin affections because of its antiseptic and healing virtues. It is a matchless and modern rubbing liniment, no tipping over the bottle and spilling on the carpet like the old-fashioned liniments. It don't spill, yet it is soft and pliable and is of proven value for sprains, sore muscles, rheumatism, neuralgia, stiff joints, stiff neck and similar afflictions, and will not soil the skin 30c, 60c and \$1.00 per jar. If your druggist does not keep it, order from Wm. M. Simpson Drug Co., Wholesale Druggists, Wilkesburg Station, Pittsburg, Pa. It contains no narcotics or harmful drugs.

952 Franklin Cars Shipped in February

Sales Keeping Up to High Level at Syracuse Factory.
Business for the month of February as reported by the Franklin Automobile company of Syracuse show that sales are keeping up to a high level. By February 15 the entire month's production had been sold, and to meet the overdemand the factory was called upon for 100 more cars than planned for. Shipments for the month totaled 952 cars, or within 25 cars of the best February in the company's history—this occurring last year. A new record would have been hung up this year but for the fact that February, 1921 had one less day than February, 1920.

Even with the Franklin factory working on a 40-car-per-day program, which is the present rate of production, it found itself unable to keep up with orders. During February the total number of orders received aggregated 1107, and even the 952-car output fell short of filling orders for February shipment by 155 cars. The manufacturing schedule for March calls for the production of 1031 cars.

Youthful blouses of Georgette Crepe, have neck and sleeve frills edged with bright dotted Swiss or Eton collars trimmed with real filet lace. One of White Net has a ruffled lace front.

Mature styles have stock collars, and the many kinds of low collars. Some have deep front frills, most of them trimmed with real filet lace. White, flesh and bisque.

Over-Blouses are of Georgette Crepe, Canton Crepe and Crepe de Chine. They are in the brilliant tomato red, the gay greens, besides gray, honey-dew, white, flesh and striking color combinations.

New Spring Blouses of Unusual Color Beauty

there being many distinctively new models of heavy Crepe de Chine in new French shades of blue, porcelain blue, platinum gray, jade, rust, flame, tangerine, honeydew, rose, beige, navy and white.

Tie-back models dominate the showing and are interestingly varied in style. Beading, all-over eyelet embroidery, yarn embroidery, touches of filet lace, tucks and shirring are used in trimming.

An unusual selection.
